

School Hours

Small Wonder Children's House™

School Hours (Monday to Friday)

The school session (a 6 hour programme) starts at 9am and ends at 3pm. Our doors open as early as 7am (at no extra charge) for parents who need to scoot off to work early, and we also have after hours care for parents who need to pickup on their way back from work (extra charges apply for this).

There are exceptions to this for special events like field trips and such. However, parents should not worry about these special events as they will be informed of the time changes early on.
